[Marathon Safety Policy](#)

If your organization experiences any sort of incident during a CKO sanctioned activity, that leads to a potential Sport Accident Insurance claim or legal claim, you must submit all details and relevant claim submission forms directly to CKO.

Activities that are NOT sanctioned by CKO include:

- Any event/activity where alcohol service is included and does not meet the standards of the service of alcohol policy
- Unsupervised paddling activities

Service of Alcohol Policy - Sanctioned Activities

A CKO member activity, that includes the service and consumption of alcohol, will be eligible for a CKO sanction if it meets the following standards:

- The service of alcohol must be conducted by a third party and not the CKO member. Alcohol service is fully managed and conducted by the third party, and all service providers are fully trained and certified.
- The CKO member must verify that the third party has liquor liability insurance coverage. A certificate of insurance with a minimum coverage of \$2 million is required from the third party, listing CKO and the CKO member as additional insured.
- The service of alcohol takes place within a facility that is fully licensed for alcohol service and that adheres to all regulations as outlined by the Alcohol and Gaming Commission of Ontario. A copy of this license may be requested by CKO.
- The activity meets the satisfaction of CKO, who reserves the right to decline a sanction at its discretion.
